Part III Method of Cost Allocation (Complete this part if the requested change involves either property subject to section 263A or long-term contracts as described in section 460 (see instructions)).

Section A-Allocation and Capitalization Methods

Attach a description (including sample computations) of the present and proposed method(s) the applicant uses to capitalize direct and indirect costs properly allocable to real or tangible personal property produced and property acquired for resale, or to allocate and, where appropriate, capitalize direct and indirect costs properly allocable to long-term contracts. Include a description of the method(s) used for allocating indirect costs to intermediate cost objectives such as departments or activities prior to the allocation of such costs to long-term contracts, real or tangible personal property produced, and property acquired for resale. The description must include the following:

- 1 The method of allocating direct and indirect costs (i.e., specific identification, burden rate, standard cost, or other reasonable allocation method).
- 2 The method of allocating mixed service costs (i.e., direct reallocation, step-allocation, simplified service cost using the labor-based allocation ratio, simplified service cost using the production cost allocation ratio, or other reasonable allocation method).
- 3 The method of capitalizing additional section 263A costs (i.e., simplified production with or without the historic absorption ratio election, simplified resale with or without the historic absorption ratio election including permissible variations, the U.S. ratio, or other reasonable allocation method).

Section B-Direct and Indirect Costs Required To Be Allocated

Check the appropriate boxes showing the costs that are or will be fully included, to the extent required, in the cost of real or tangible personal property produced or property acquired for resale under section 263A or allocated to long-term contracts under section 460. Mark "N/A" in a box if those costs are not incurred by the applicant. If a box is not checked, it is assumed that those costs are not fully included to the extent required. Attach an explanation for boxes that are not checked.

Attachment to Form 3115

Organization: Haskins Laboratories, Inc.

TIN: 13-1628174

Tax Year Ended: December 31, 2010

Statement I - Part I, Line 1 and Part II, Line 11 & 14

The Organization requests a change from the accrual method of accounting to a modified cash basis of accounting. This basis of accounting recognizes expenses when paid rather than when incurred and recognizes revenue and related assets when earned based on expenses paid. Also, a liability for post-retirement benefits and their related effects on the change in net assets is not recognized. This is the method of accounting on which the Organization keeps its books and reports on its audited financial statements. This is a permissible accounting method for the Organization under Section 446.

Statement II - Part II, Line 13

Haskins Laboratories, a Section 501(c)(3) organization, is an independent, international, multidisciplinary community of researchers conducting basic research on spoken and written language. Exchanging ideas, fostering collaborations, and forging partnerships across the sciences, it produces groundbreaking research that enhances our understanding of — and reveals ways to improve or remediate — speech perception and production, reading and reading disabilities, and human communication. The change in accounting method as described in Statement I will apply to the entire organization.

Statement III - Schedule A, Part I, Line 1

The Organization's tax return was prepared on the accrual basis of accounting. Accounts Payable of \$23,922 were recorded on the tax return that were not recorded on the Organization's books and its audited financial statements. The requested change in accounting method to the modified cash basis (as described in Statement I) will convert the tax return amounts to the amounts properly recorded on the Organization's books and audited financial statements. The net Section 481 adjustment of +\$23,922 would increase the unrestricted net asset balance of the Organization. There is no tax effect as Haskins Laboratories is an exempt organization under Section 501(c)(3).
